Friday 6th January 2017.

Dear All,

Happy New Year! Happy Three Kings Day!

I do hope you had a lovely Christmas and were able to keep healthy throughout the break. The staff had a successful “Training Day” on Tuesday. The class teams had an opportunity to talk about the pupils in their class and their learning. We spent time discussing how we can motivate each pupil and maximize achievement.

On Wednesday it was lovely to see children back in the school, as it just isn’t the same without them. Welcome back everyone!

Termly Topics

The ‘**Underground**’ themed Termly Topics were various in nature and extremely interesting. Some examples of well-presented and well thought-out topics will go on display soon. Watch the board for changes!

The Termly Topic for this term is anything based on the theme of ‘**Telecommunications**’. The deadline for handing in topics is **MONDAY 6TH FEBRUARY 2017**. This is compulsory for Y4, Y5 and Y6 and optional for all other year groups. Pupils in the younger year groups will need to ask their teacher for a book to complete the work Termly Topic if they don’t already have one.

After School Clubs

Please note places for the clubs this term have been allocated and you should have received a reply slip. Remember if your child had a place last term they do not automatically have a place this term. Please check if you are unsure!

PARKING – PLEASE KEEP ALL OUR CHILDREN SAFE!

First of all thank you to the vast majority of people who do take the safety of all our children seriously. The governors and I continue to receive mostly verbal complaints about a small minority of road users. Once again may I appeal to everyone to park and drive sensibly outside the school. This is in the interests of all our children; we want them all to be safe.

Please do not park on the zig-zag lines or do three point turns on the road. Please do not park across or use our neighbors’ driveways to turn or park in.

May I remind you that the Church allows us to park in the Reading Room carpark, as long as we adhere to the speed limits posted at the entrance. Please remember this is not a playground and children should be well supervised whilst you are using this facility. The Governors continue to monitor the situation ‘out there’, but I would really appreciate it if you could put your concerns in writing to the governors, if you have concerns about safety on the road outside the school.

Kindest regards Kay Bridson

2016 / 2017
