Dear All

We are looking forward to welcoming everyone back on Monday.

Next week, we shall concentrate on re-establishing relationships and routines. We all need to remember what to do. We need to learn to be together again. This includes talking to each other in a courteous way, using please and thank you, remembering that everyone has been through a challenging time... and that we need to be patient with each other. We also need to remind ourselves of how to be in larger groups and how to mix socially with other people. Other people also have wants, needs, opinions, strengths and weaknesses to consider!

Change is tricky, but not impossible. We all... young and old need to be brave so that we can move on with our lives!

We will work together to support each other to move on and move forward... how exciting!

This week the school has been celebrating World Book Day.
Everybody has had the chance to complete a number of activities planned for us by
