

Pupil Premium Strategy Statement 2017-2018

-Principles

- **we actively ensure that teaching and learning opportunities meet the needs of pupils eligible for Pupil Premium** We do this by really getting to know each pupil as an individual, understanding their unique context and learning needs. We seek to build on their interests and strengths.
- **we ensure that appropriate provision is made for pupils eligible for Pupil Premium.** As a school community we actively prioritise the needs of any pupil facing challenging circumstances. We work together to ensure each pupil is assessed and actively pursue positive outcomes for each individual person. Pupil Progress meetings provide focus for regular discussions about this group of pupils.
- **we recognise that not all pupils who are socially disadvantaged are registered or qualify for free school meals.** We reserve the right to allocate the Pupil Premium funding to support any pupil or groups of pupils the school has legitimately identified as being socially disadvantaged
- **Pupil Premium funding is 'pooled' for maximum benefit to the greatest number of children.** It is allocated following a needs analysis which identifies priority classes, groups or individuals.
- **all our work through the Pupil Premium is aimed at accelerating progress and improved personal development.** Pupil Progress meetings provide focus for regular discussions about this group of pupils.

Established

- whole school ethos that every child matters. Pupils eligible for Pupil Premium are supported to enjoy their learning, and their time at school, through positive relationships and experiences with teaching and non-teaching staff.

- high expectations for disadvantaged learners are communicated across the whole school with a no-excuses culture
- mixed ability groupings
- no-hands-up policy (at times)
- pupils eligible for Pupil Premium known to all teachers and teaching assistants
- Assessment, Maths & English subject leaders, and governors, monitor the attainment and progress of disadvantaged learners through book scrutiny, pupil discussion and Pupil Progress meetings
- pupils eligible for Pupil Premium are considered first for interventions
- rigorous and regular monitoring of the progress of pupils eligible for Pupil Premium takes place, especially those receiving support through interventions, to ensure no time is lost on strategies which are not effective
- named Governor and Disadvantaged Pupil Leader in school, who regularly attends Disadvantaged Pupil Leader Network Meetings

Developing/ establishing

- pupils eligible for Pupil Premium discussed at every staff meeting: Pupil Progress updates!
- improve quality of feedback to ensure all pupils eligible for Pupil Premium receive careful marking focussing on misconceptions and misunderstandings

3. Barriers to future attainment (for pupils eligible for PP, including high ability)	
In-school barriers (<i>issues to be addressed in school, such as poor oral language skills</i>)	
A.	A number of pupils (9/16 56%) eligible for PP also have significant SEND. This impacts on attainment across all areas.
B.	Levels of resilience lower in some pupils eligible for PP. This impacts on attainment and ability to 'perform well' in a test situation
C.	Gaps in learning in some pupils eligible for PP. This impacts on attainment, especially in maths.
D.	Emotional development on entry to EYFS is very low for a significant number of pupils eligible for PP. Whilst Personal Development outcomes are 'good', a significant number of pupils lack the resilience to approach pressured situations, such as tests.
External barriers (<i>issues which also require action outside school, such as low attendance rates</i>)	
E.	Some pupils eligible for PP not able to access suitable resources and space to complete their home-learning

F.	Attendance rates for a small number of pupils eligible for PP reduces school hours and causes gaps in learning, especially in maths (4 pupils)	
G.	Some pupils eligible for PP not able to fund trips and After School Clubs

A B G	Ensure pupils eligible for PP are welcomed to school, by name, every morning, supported to settle if required. Staff do 'emotional drop-ins' to check emotional well-being.	Through greeting pupils and 'emotional drop-ins' this promotes sense of self-worth and sense of identity and belonging. Evidence from school-own practice.	Class teachers to report to SLT at regular updates at Pupil Progress Meetings (weekly) on impact. Use PSED grid to measure outcomes.	Headteacher (KB)	Every term (3 times a year)

A B C G	Pupils eligible for PP are prioritised for extra 'attention' by volunteer visitors who work with readers/maths. Visitor who work with pupils on maths is a retired maths teacher and highly experienced and qualified.	1 to 1 work, with highly motivational people have been shown to be effective from school evidence show higher levels of self-esteem and confidence.	Class teachers to liaise with volunteers to ensure best use of time. DHT to maintain overall view of use of visitors.	Class teachers	Every half term (6 times a year)

iii. Other approaches					
Desired outcome	Chosen action/approach	What is the evidence and rationale for this choice?	How will you ensure it is implemented well?	Staff lead	When will you review implementation?
A D	Better pupil/ adult ratios in classrooms with particular focus in EYFS and KS1 to improve emotional development	Due to high numbers of pupils requiring support to develop self-care skills such as toileting and dressing/undressing, as well as encouragement to persevere and be resilient. Better pupil/staff ratios allow the teacher to focus on CLL and other areas of learning. School data indicates pupils enter school with very low baseline scores and leave EYFS at the national average.	SLT prioritise staffing levels in EYFS Teacher and TAs Pupil Progress Meeting following assessment and tracking. Regular updates at Pupil Progress Meetings (weekly) Use PSED grid to measure outcomes.	SLT (KB & JMW)	Every half term (6 times a year) (£5000 – TA time)
A E G	Funding for trips and after school clubs, so all children are able to access unique learning opportunities. Pupils eligible for Pupil Premium have access to, and are encouraged and supported to take part in a range of extra-curricular activities (e.g. music, sports and the arts) to enrich their learning experiences and enhance their self-esteem	This approach supports the school's ethos and values of inclusion and equality. Previous pupils who have received this funding for trips etc have reported high levels of belonging and a sense of relief that they do not have to ask their parents for money.	Disadvantaged Learner Leader to monitor trips, clubs etc and ensure all children are able to take part. Use PSED grid to measure outcomes.	Headteacher (KB)	Every half term (6 times a year) (£300 – funding for trips)
E G	Providing opportunities for children unable to complete home-learning	This approach supports the school's ethos and values of inclusion and equality.	Termly Topic monitoring and evaluation session focus on work produced by pupils eligible for PP.	Headteacher (KB)	Every half term (6 times a year)

	at home with a space in school and have access to Night Owls (Reading & Home-Learning support club)		Are they able to complete the Termly Topics to the expected standard?		
B C D E F G	Governor involvement in monitoring and evaluating the outcomes for pupils eligible for Pupil Premium. Including, Pupil Progress discussions with teachers, book scrutinies and interviews with pupils.	Ensure the Governors monitor and evaluate the impact of Pupil Premium spending	Curriculum & Standards Committee and designated governor for PP use the SIAP weekly task sheets and feedback from Pupil Progress discussions to report back to FGB. Pupil Premium Governor Team: Carole Long & Tessa Mann	Headteacher (KB)	Curriculum & Standards Meeting (5 times a year)
B G	Pupils eligible for Pupil Premium and who are also identified as 'Able and Interested' have access to, and are encouraged and supported to take part in a AGAT courses to enrich their learning experiences and enhance their self-esteem. Funding provided by school and help with transport if required.	This approach supports the school's ethos and values of inclusion and equality.	Disadvantaged Learner Leader to liaise with Gifted & Talented Leader to ensure access to AGAT courses. Use PSED grid to measure outcomes	Able & Interested Leader (SW)	Twice a year (when AGAT course booklet is published) (£110 – 2x AGAT days)
A B G	Pupils eligible for PP are discussed at weekly staff meetings. Pupil progress updates!	This approach supports the school's ethos and values of inclusion and equality. This approach highlights the school's commitment to vulnerable learners and demonstrates to all staff the importance with which the SLT view this group of pupils.	On the agenda at weekly Staff Meetings. Minutes taken of discussions and posted on SharePoint.	Headteacher (KB)	Weekly
F	Parents of pupils eligible for PP, with low attendance receive weekly texts to recognise good attendance. Follow-up phone calls as necessary.	This approach has worked with pupils with low attendance in the past. Attainment for pupils cannot improve if they aren't actually attending school. NFER briefing for school leaders identifies addressing attendance as a key step.	SLT monitor attendance registers on a weekly basis. Parents immediately contacted if attendance falls below 92%.	Headteacher (KB)	Weekly

iv. Quality of teaching for all					
Desired outcome	Chosen action / approach	What is the evidence and rationale for this choice?	How will you ensure it is implemented well?	Staff lead	When will you review implementation?
B C D G	Regular small group work with class teacher focussed on overcoming identified gaps in learning.	8/12 of the pupils need targeted support to catch up. This is a programme which has been evaluated by SLT, through Pupil Progress meetings, and shown to be effective in our school. B G	All class teachers receive feedback following Subject Leader Monitoring of books and pupil interviews of pupils eligible for PP.	We want to train all teachers in practices to provide stretch and encouragement for these pupils. Many different evidence sources, e.g. EEF and MAP, suggest high quality feedback is an effective way to improve attainment, and it is suitable as an approach that we can embed across the school.	Included on the SIAP and given high priority (2017-2018).	Headteacher (KB)	3 times a year (Nov/Feb/June)
Total budgeted cost					£650.00
v. Targeted support					
Desired outcome	Chosen action/approach	What is the evidence and rationale for this choice?	How will you ensure it is implemented well?	Staff lead	When will you review implementation?
A B G	Ensure pupils eligible for PP are welcomed to school, by name, every morning, supported to settle if required. Staff do 'emotional drop-ins' to check emotional well-being.	Through greeting pupils and 'emotional drop-ins' this promotes sense of self-worth and sense of identity and belonging. Evidence from school-own practice.	Class teachers to report to SLT at regular updates at Pupil Progress Meetings (weekly) on impact. Use PSED grid to measure outcomes.	Headteacher (KB)	Every term (3 times a year)
B C G	'Booster' sessions for pupils eligible for PP Year 6 Maths before school (1 teacher) (<i>Pupil Premium funding used to purchase support materials</i>)	Small groups of interventions, with highly qualified staff, have been shown to be effective as discussed in reliable evidence sources such as the EEF Toolkit. We want to combine this additional provision with confidence 'boosting' activities/ motivational encouragement to approach tests.	Year 6 teacher & Maths Subject Leader/ Curriculum Leader co-ordinate 'Booster' groups and ensure communication with parents is effective. Review impact of sessions on a weekly basis. Is the time of sessions working? Are the target pupils attending? Are the sessions having an impact in the classroom? Use PSED grid to measure outcomes.	Maths Leader (HC) & Y6 teacher (HC)	Every half term (6 times a year) (£50 - materials)

B C G	'Booster' sessions for pupils eligible for PP Year 6 English before school (1 teacher) (<i>Pupil Premium funding used to purchase support materials</i>)	Small groups of interventions, with highly qualified staff, have been shown to be effective as discussed in reliable evidence sources such as the EEF Toolkit. We want to combine this additional provision with confidence 'boosting' activities/ motivational encouragement to approach tests.	Year 6 teacher/English Subject Leader & Curriculum Leader co-ordinate 'Booster' groups and ensure communication with parents is effective. Review impact of sessions on a weekly basis. Is the time of sessions working? Are the target pupils attending? Are the sessions having an impact in the classroom? Use PSED grid to measure outcomes.	English Team (MW)/ Y6 teacher (HC)	Every half term (6 times a year) (£50 - materials)
C G	'Sound Discovery' intervention programme/ Phonics small group work	<i>Some of the pupils need targeted support to catch up on phonics. Small group interventions, have been shown to be effective in the past with outcomes where pupils make on average a year's progress in 6 months. A number of pupils have made outstanding progress for example 4 years progress in 1 year.</i>	<i>Organise timetable to ensure staff delivering provision have sufficient preparation and delivery time. KS1 Leader and class teachers co-ordinate and establish priorities for Sound Discovery Teacher and TAs Pupil Progress Meeting following assessment and tracking. Regular updates at Pupil Progress Meetings (weekly) Monitoring and evaluation by governors and SLT through discussion with pupils.</i>	Deputy HT (JMW)	Every half term (6 times a year) (Funding to be allocated April 2018)
A B C G	Pupils eligible for PP are prioritised for extra 'attention' by volunteer visitors who work with readers/maths. Visitor who work with pupils on maths is a retired maths teacher and highly experienced and qualified.	1 to 1 work, with highly motivational people have been shown to be effective from school evidence show higher levels of self-esteem and confidence.	Class teachers to liaise with volunteers to ensure best use of time. DHT to maintain overall view of use of visitors.	Class teachers	Every half term (6 times a year)
Total budgeted cost					£100
vi. Other approaches					
Desired outcome	Chosen action/approach	What is the evidence and rationale for this choice?	How will you ensure it is implemented well?	Staff lead	When will you review implementation?
A D	Better pupil/ adult ratios in classrooms with particular focus in EYFS and KS1 to improve emotional development	Due to high numbers of pupils requiring support to develop self-care skills such as toileting and dressing/undressing, as well as encouragement to persevere and be resilient. Better pupil/staff ratios	SLT prioritise staffing levels in EYFS	SLT (KB & JMW)	Every half term (6 times a year)

		allow the teacher to focus on CLL and other areas of learning. School data indicates pupils enter school with very low baseline scores and leave EYFS at the national average.	Teacher and TAs Pupil Progress Meeting following assessment and tracking. Regular updates at Pupil Progress Meetings (weekly) Use PSED grid to measure outcomes.		(£22,000 –TA time)
A E G	Funding for trips and after school clubs, so all children are able to access unique learning opportunities. Pupils eligible for Pupil Premium have access to, and are encouraged and supported to take part in a range of extra-curricular activities (e.g. music, sports and the arts) to enrich their learning experiences and enhance their self-esteem	This approach supports the school's ethos and values of inclusion and equality. Previous pupils who have received this funding for trips etc have reported high levels of belonging and a sense of relief that they do not have to ask their parents for money.	Disadvantaged Learner Leader to monitor trips, clubs etc and ensure all children are able to take part. Use PSED grid to measure outcomes.	Headteacher (KB)	Every half term (6 times a year) (£1777 – funding for trips)
E G	Providing opportunities for children unable to complete home-learning at home with a space in school and have access to Night Owls (Reading & Home-Learning support club)	This approach supports the school's ethos and values of inclusion and equality.	Termly Topic monitoring and evaluation session focus on work produced by pupils eligible for PP. Are they able to complete the Termly Topics to the expected standard?	Headteacher (KB)	Every half term (6 times a year)
B C D E F G	Governor involvement in monitoring and evaluating the outcomes for pupils eligible for Pupil Premium. Including, Pupil Progress discussions with teachers, book scrutinies and interviews with pupils.	Ensure the Governors monitor and evaluate the impact of Pupil Premium spending	Curriculum & Standards Committee and designated governor for PP use the SIAP weekly task sheets and feedback from Pupil Progress discussions to report back to FGB. Pupil Premium Governor Team: Carole Long & Tessa Mann	Headteacher (KB)	Curriculum & Standards Meeting (5 times a year)
B G	Pupils eligible for Pupil Premium and who are also identified as 'Able and Interested' have access to, and are encouraged and supported to take part in a AGAT courses to enrich their learning experiences and enhance their self-esteem. Funding provided by school and help with transport if required.	This approach supports the school's ethos and values of inclusion and equality.	Disadvantaged Learner Leader to liaise with Able & Gifted & Talented Leader to ensure access to AGAT courses. Use PSED grid to measure outcomes	Able & Interested Leader (JMW)	Twice a year (when AGAT course booklet is published) (£110 – 2x AGAT days)
A B G	Pupils eligible for PP are discussed at weekly staff meetings. Pupil progress updates!	This approach supports the school's ethos and values of inclusion and equality. This approach highlights the school's commitment to vulnerable learners and demonstrates to all staff the importance with which the SLT view this group of pupils.	On the agenda at weekly Staff Meetings. Minutes taken of discussions and posted on SharePoint.	Headteacher (KB)	Weekly

F	Parents of pupils eligible for PP, with low attendance receive weekly texts to recognise good attendance. Follow-up phone calls as necessary.	This approach has worked with pupils with low attendance in the past. Attainment for pupils cannot improve if they aren't actually attending school. NFER briefing for school leaders identifies addressing attendance as a key step.	SLT monitor attendance registers on a weekly basis. Parents immediately contacted if attendance falls below 92%.	Headteacher (KB)	Weekly
Total budgeted cost					£11887
