Top Tips for Learning Spellings

Use the ideas below to help you practise your spelling words.

Look, Cover, Write, Check

Look at your spelling word, cover it with your hand and then write it. Once you have written it uncover the word and check what you have written.

Rainbow Writing

Write your spelling word out and then keep copying over it using lots of different colours.

Mnemonics

This is a saying which helps you remember the letters in a word. The first letter of each word spells the word, in that order.
Big Elephants Can't Always Use Small Exits = because

Highlight

If there is part of a word which you find tricky try writing it and then highlighting that section. You could also use a coloured pencil or pen to write those letters.

Sentences/definitions

Write your spelling word in a sentence or, if you do not know what your word means, find the definition and copy it out using your own words.

During the storm there were bright flashes of lightning and loud rumbles of thunder.

Word scramble

Mix up the letters which make your word and then unscramble them into the correct spelling.
