Great food!

Food at Braeside

Our catering team use a range of site grown fruit and veg and wherever possible use locally sourced ingredients.

We aim to offer healthy balanced menu presented in a way that is familiar and appetising to young people. Specific dietary requirements and allergies will be catered for but must be notified well in advance of your visit.

There is a kitchenette in the main house where teachers can make hot drinks and prepare drinks for the group throughout the day and evening.

We operate a strict no nuts policy in the Braeside kitchen. We are happy to talk through any complex dietary needs. Please [get in touch](#) or see our [catering section](#)
