Making your Christmas box

More detailed instructions and helpful hints are available on our website: www.fscinet.org/christmas-box

STEP 1 - Fill your box

Find an old shoebox. Ideally a regular sized one (max size 39cm long x 24cm wide x 12cm deep). Wrap the bottom of the box and the lid separately in festive paper.

Decide who you'd like the box to go to and tick the appropriate box for age/sex on the Category & Contents label, and stick it to the lid of the box.

Fill your box with goodies, leaving them unwrapped.

See the 'Filling your box' panel for instructions (overleaf). Fill out the "Contents" section of the Category & Contents label to let us know what's inside your box. Use an elastic band to secure the lid.

STEP 2 - Make a shipping donation

Getting your box to Southeast Europe is expensive, so we also ask for a **£3.00 donation per box to help cover the cost**. If you are making more than one box you can make a combined donation.

You can do this online - it's easy and helps cut costs
www.fscinet.org/christmas-donate

OR: This leaflet turns into an envelope that you can use to put your donation inside the box.

Remember to fill in YOUR DETAILS (only if you are aged 18+) on the envelope. If you are a UK tax payer you can allow us to claim a further 25p for every £1 donated by filling in the Gift Aid section. Cheques to "FSCI (UK)".

STEP 3 - Deliver your box

...to a participating school, church or organisation (check with them for deadlines), or to **Salisbury foodbank, (6b Ashfield Trading Est. SP2 7HL) weekdays 10am - 3pm, from 1st - 25th Nov.** Visit www.fscinet.org/drop for alternative drop-off points. Collections by arrangement.

Cut out this label and stick it to the lid of your Christmas box. Doing more than one box? More labels are available at www.fscinet.org/christmas
