

Food Chains

How does summer affect plants and animals? Watch this to find out

<https://www.bbc.co.uk/teach/class-clips-video/science-ks1-ks2-how-summer-weather-affects-behaviour-of-british-animals-plants/zkdkjvh>

Learn more about food chains using the PPT on the school website. Now play the food chains game attached, how many can you make?

Summery Bake

Make a super yummy fruit crumble for your family to eat at dinner time. Use the recipe attached and change the fruit if you are not keen on apple or add another fruit for extra flavour. When you cut your fruit remember to use the.....

claw method and bridge hold to ensure you work safely and don't cut your fingers.

Seeds and Plants

Find out how flowering plants reproduce!

<https://www.bbc.co.uk/bitesize/topics/zgssgk7/articles/zqbcxfr> Can you plant some flowering seeds and keep a diary to record their progress? Learn more about seed dispersal here

<https://www.bbc.co.uk/bitesize/topics/zxfrwmn/articles/z28dpbk>

Can you create a presentation about seed dispersal using what you have learnt? You could use PowerPoint, publisher to make a poster or leaflet, or even create a podcast or recording! You could collect and sort some too!

Bees!

Learn about the important role of bees here <https://www.bbc.co.uk/teach/would-we-starve-without-bees/zkf292p>

Use the Bee Art Power point on the school website to explore how artists depict bees in their work. Use the images below to help you create a bee artwork! Remember it's all about looking carefully at what you are drawing and including all the details!

Summer Haiku Poem

Create a Summer Haiku Poem. Haikus poetry is traditional in Japan and is often about nature. Use the Haiku rules to create your own.

A HAIKU HOW-TO

Five syllables in the first line

Seven syllables in the second line

Five syllables in the last line

See the examples attached to help you.

Investigate and Classify

Can you investigate the plants in your local area? Choose 2 places to do your survey, an open area for e.g. a field hedgerow and a woodland. Use the plant guide and pages attached to find out how many of each plant you can see in this area. Can you create a graph using the graph paper to show your findings and compare?

Global Plant Challenge

Where in the world do different plants come from? Find out about different types of plants on this website <https://www.dkfindout.com/uk/animals-and-nature/plants/> Use the Plants Around the World presentation on the school website to find out where different plants come from. Now use what you have learnt to create a plant map of the world. Use the map and plants images attached and add in facts you remember!

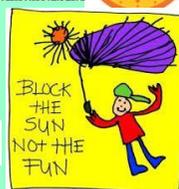

Stay Safe in the Sun

Take this quiz, how much do you know about staying safe in the sun? <https://www.bbc.co.uk/newsround/48609398>

Read on down the webpage to find out about other ways to stay safe in the sun. Can you create a podcast, video clip, Powerpoint presentation or leaflet or poster on Publisher to tell other people about staying safe in the sun and why we need to? You could even come up with a catch phrase like these!

BE SUN SMART

For examples and pages to use, see the pages below!

Summer Paintings

Look at some famous art on the theme of Summer using the presentation on the school website. Have a go at creating your own summer inspired art!

Seasons

Learn about an apple tree through the seasons here

<https://www.bbc.co.uk/bitesize/clip/s/zvp6n39>

Use the sheet below to create a seasons wheel

Water Filter Experiment

Find out how to do a water filter experiment on this science website <https://www.science-sparks.com/cleaning-up-water-looking-at-filtering/> There are lots of other great experiments to have a go at too!

Yoga Challenge

Have a go at some Rainbow yoga with Adrienne -

<https://www.youtube.com/watch?v=dFzO6-Qablo>

Flower Pressing

Have a go at pressing some flowers. Collect flowers from the garden or on a walk. Place the flowers, spaced out, between two pieces of paper, and place them within the pages of the book. Use more books, or perhaps a brick, to weigh down the book once it is closed. After two to three weeks, the flowers will be completely dry. Remove very carefully use your fingers, as a dry flower is very delicate.

Build a Shelter or Den

You could do this inside or outside! Collect things you can build with and use materials to fix things together such as string, tape or clothes pegs.

Summer Adventure story

Write your own summer adventure story! Use the tips from this clip to help you plan it.

<https://www.bbc.co.uk/bitesize/topics/zx339j6/articles/zgthrxw>

or you could read some first, like this one!

Summer Recipes

Have a go at these fun 'no cook' summer recipes! You could make anything from fruity ice lolly pens or frozen banana lollies to no bake cheesecake or chicken pesto wraps!

<https://www.bbcgoodfood.com/recipes/collection/no-cook-kids-recipes>

Quick crumble mix

Preparation and cooking time

Prep:20 mins **Cook:**50 mins **Easy** **Serves 4-6**

Make this speedy fruit crumble for dinner tonight.

Ingredients

- 450g fruit, chopped into 1cm chunks (we used 400g Bramley apples and 50g fresh blackberries)
- 75g [granulated sugar](#)
- 50g [butter](#), cold and cubed
- 100g [plain flour](#)
- 50g [demerara sugar](#)

Method

• STEP 1

Heat the oven to 180C/160C fan/gas 4. Mix together the fruit and granulated sugar (you will need less sugar for canned fruit) so it's evenly coated. Tip into a pie dish where it fits snugly.

• STEP 2

Rub the butter into the flour to make a light breadcrumb texture. Do not overwork it or the crumble will become heavy. Add in the demerara sugar until combined and spread over the fruit until completely covered.

• STEP 3

Bake for 35-50 mins until golden brown and bubbling, and the fruit is tender. Leave to cool for 5 mins before serving.

Summer Haikus

Calm as a river

Tranquillity in my heart

Blue summer skies

**Peaceful, sunny day
Munching on watermelon
Soft breeze hits my toes**

Full strawberry moon,
ushers in hot days of June,
High tides fill the dune,

Hot sun rising soon,
Fishing in the afternoon,
Whistling my own tune!

Beautiful sunrise
On a warm summer morning.
I wait for day's start.

Rosy coloured sky
On a cool summer evening.
Glorious sunset.

Seasons Wheel

Make your own Season Wheel by following the instructions:

1. For each season, draw a picture of the weather.
2. If you can, think of an event that happens in each season. It could be a celebration, a holiday or an important occasion, like a birthday. Add it to your wheel.
3. Add small arrows to your wheel to show which way the seasons go.
4. Carefully cut out your wheel.
