

## Termly Topic: November/December 2022

This term the *Termly Topic* is based on the theme...

### Music

Music may be described as the art of arranging sound to create some combination of form, harmony, melody, rhythm or otherwise expressive content. Exact definitions of music vary considerably around the world, though it is an aspect of all human societies.

You could choose... to write and perform your own composition, to find out about the history of music, to learn about music from other countries and cultures, to interview an older person about the music they listened to when they were young, compose some music and write some lyrics or write about your favourite band or singer. Just a few ideas to get you thinking!

As usual, be as creative as you like; but you must also write something and make a record of your Termly Topic in your book! This is to be completed in the book provided by the school and handed in on **Friday 9th December** to each class teacher. All children completing the task are recognised with a certificate. *Creative Awards* recognise the most 'interesting' ideas.

This is compulsory for Y4, Y5 and Y6 and optional for all other year groups. Pupils in the younger year groups will need to ask their teacher for a book to complete the work Termly Topic in, as they will not automatically be issued.

**TOP TIP: Pick something, which interests you.**
