Dear Parents and Carers of Year 1

Following on from successful outdoor learning sessions last year, Year 1 children have the opportunity to take part in valuable outdoor learning opportunities, using our wildlife area, again. Mrs Diserens, our outdoor learning teacher, will lead groups of children in many different outdoor learning experiences, for example planting seeds, growing vegetables and herbs, building dens, natural art and craft activities and mini beast hunting. This learning will link with the learning the children do in science.

Year 1 will have 6 weeks of outdoor learning. Their sessions start this week, week beginning 25.09.23 and will finish week beginning 06.11.23.

**Year 1 session will be on Tuesday.**

**As this is a PE day, the children need to come to school in their PE kit. If you are happy for them to wear their PE kit for outdoor learning then this is ok, if you would rather they changed their trousers then please send in some old ones.**

**They will also have to bring with them**

- wellies or old trainers
- waterproof/warm jackets (and trousers if they have some)

If you have any questions, please contact me on 01722 327227 or admin@stratford-sub.castle.wilts.sch.uk.

Kind regards

Justine Watkins
