Dear Parents and Carers of Year 5

Following on from successful outdoor learning sessions last year, Year 5 pupils have the opportunity to take part in valuable outdoor learning opportunities, using our wildlife area, again. Mrs Diserens, our outdoor learning teacher, will lead groups of children in many different outdoor learning experiences, for example planting seeds, growing vegetables and herbs, building dens, natural art and craft activities and mini beast hunting. This learning will link with the learning the children do in science.

Year 5 will have outdoor learning on a **Wednesday** in term 3. Their sessions start this week.

Week beginning 15.01.24 and will finish week beginning 26.02.24.

On these days Year 5 may come to school in outdoor learning clothes. These must be old clothes and shoes (that you don't mind getting dirty). They **need to wear / have with them**

- a long sleeved t-shirt or jumper
- trousers, to reduce the risk of bites, stings & scratches
- wellies or old trainers
- waterproof/warm jackets (and trousers if they have some)

If you have any questions, please contact me on 01722 327227 or admin@stratford-sub.castle.wilts.sch.uk.

Kind regards

Justine Watkins
