Tuesday 4th June 2024

Dear Parents and Carers of Reception pupils

Following on from successful outdoor learning sessions last year, pupils in reception have the opportunity to take part in valuable outdoor learning opportunities, using our wildlife area, again. Mrs Diserens, our outdoor learning teacher, will lead groups of children in many different outdoor learning experiences, for example planting seeds, growing vegetables and herbs, building dens, natural art and craft activities and mini beast hunting. This learning will link with the learning the children do in science.

These sessions will take place on Thursdays starting this week and will finish week beginning 08.07.24

As this is a PE day they may wear their PE kit for outdoor learning. If it is raining, or may rain please make sure they have a waterproof coat as they will still do outdoor learning. If it is hot/sunny a hat would be helpful.

If you have any questions, please contact me on 01722 327227 or admin@stratford-sub.castle.wilts.sch.uk.

Kind regards

Justine Watkins
