Wednesday 11th September 2024

Dear All,

We call 'homework' home-learning at Stratford. *Home learning* will help our pupils to consolidate and reinforce knowledge and understanding, particularly in English and mathematics. It also extends their school experiences and develops their own interests (for example through additional reading and Termly Topic). Through home learning, we aim for the pupils to become motivated independent learners and take increasing responsibility for their own learning.

Here is some information about Home Learning this year at Stratford School.

Home Learning for Reception & KS1 (Butterfly and Owl Classes)

Reception: Reading (5 times a week) and HRS words to read, Maths Home-Learning Sheet (from November) and NumBots online activity.

Year 1: Reading (5 times a week), HRS word spelling list, Maths Home-Learning Sheet and NumBots online activity.

Year 2: Reading (5 times a week), HRS word spelling list, Maths Home-Learning Sheet and NumBots online activity.

(HRS words – these are harder to read and spell words which are words for which do not follow a phonic pattern. E.g. the, have, they)

Home Learning for KS2

Years 3: Reading (5 times a week), spelling lists, Maths Home-Learning Sheet and NumBots/Times Table Rock Stars online activity.

Year 4 & 5: Reading (5 times a week), spelling lists, Maths Home-Learning Sheet and Times Table Rock Stars online activity, Termly Topic

Year 6: Reading (5 times a week), spelling lists, Times Table Rock Stars online activity, Termly Topic Every week either Maths or English SATs style questions (in a workbook)

Reading

Reading records are checked once a week.

What does reading 5 times a week mean? Reading could be spread over the seven days in a week, or pupils may read twice in one day if that is easier. Reading will vary according to the age and reading skills of each child. Reading could be sharing a book together, not necessarily the scheme book or the child reading all the words in the book. Pupils may choose to read an article on the Newsround website (or similar) and this will count as long as a record is made in the Reading Record book.

Spelling

In Key Stage Two, Pupils are provided with a weekly set of spellings. This is in their Spelling Book. Once a week the pupils are assessed on these spellings. Some ideas for how to practise spellings are in the front of their spelling books

Maths Home Learning

Pupils from Reception to Year 5 are provided with half-termly maths home sheets with an overview of the facts the pupils are to practise at home. Ideas, games and online activities are provided to help practise these facts.

NumBots and/or Times Tables Rock Stars Online Activities

In Reception and KS1 pupils have access to the NumBots website where they can practise number facts. Pupils in Key Stage Two have access to Times Tables Rock Stars online activities. Username/ passwords can be found in their Reading Records. This is viewed as an enrichment activity.

Termly Topic

Every term a 'Termly Topic' is set. This is compulsory for Y4, Y5 and Y6 and optional for all other year groups. Pupils in Y4, 5 and 6 will be given a Termly Topic book if pupils in the younger year groups would like to do one they will need to ask their teacher for a book to complete the 'Termly Topic' in as they will not automatically be given one. Here is the information for this term's Termly Topic.

Termly Topic: Home Learning September/ October 2024

The Termly Topic this time is based on the theme...

'BRILLIANT BUILDINGS AND AMAZING ARCHITECTURE'

Here are some ideas

*Research a famous building, tower or bridge..... make a model draw different buildings
create a bridgewrite a story based on one of the buildings find out how to build
research an architect (e.g. Christopher Wren) design your own building*

You may wish to focus on one aspect or several. The choice is yours!

Be as creative with the theme as you like. You may create models, cook, draw or paint, take photographs or write a story, set of instructions....!

You MUST make sure that something is in your book as a record of your topic. This could be a photo of your work or you could write about what you did! However, you may also like to do the whole topic in your book, it is up to you!

Please ensure some writing is included as part of your topic in some way!

The deadline for handing in topics is **WEDNESDAY 16th October**. This is compulsory for Y4, Y5 and Y6 and optional for all other year groups. Have fun!

Best wishes

Hannah Crook
