Ajay has just arrived at Joe's house before school. Joe's mother is the warden who looks after the local park.

The Park

Ajay was just about to tuck into his tea and toast dripping in sour rhubarb jam when there was a loud clatter from the letterbox as an important-looking brown envelope landed on the mat. 'Bit early for the post isn't it?' Mum said. 'Ooh, it says Special Delivery.' Mum opened it, and unfolded the letter. Joe knew instantly that something was wrong. He could see it on Mum's face. 'What is it, Mum?' Joe asked.

'Yeah, Mrs P, what's happened?' Ajay asked too. 'It's the park... they've shut it down.'

For a second no one said a word. Joe and Ajay looked at each other, then back at Joe's mum. Her face was pale, her jaw dropped open. She stared at the letter, her eyes watery and ready to spill over with tears.

'Shut the park?' Joe said furiously. 'They can't do that. It's... it's the park!'

'Yeah, everyone loves that place!' Ajay joined in. 'You boys best get to school, or you'll be late,' said Mum, her voice all shaky.

UNDER DEVELOPMENT

The work on the new playground at George's Park will have an immediate effect. For all July, this park will be under development and a new playground area will be built.

What to do at home the week of the tests...

- ✓ Ensure your child is eating and drinking well and getting a good amount of sleep.
- ✓ Ensure they have had a good breakfast before they come to school (will be topped up by snack and squash)!
- ✓ Give your child time to go outside and reduce screen time.
- ✓ Plan something nice and fun for the weekends before and after SATs. This will help them to relax before the SATs and give them something to look forward to after.

Remember!

SATs focus on what children know about Maths and English. They will not reflect how talented they are at science, geography, art, PE..., and they certainly won't highlight all of their amazing personal characteristics.

SATs don't tell the whole story. Their results will say if they did or did not meet a certain standard but not necessarily by what margin. These thresholds change each year according to the overall national performance, so what was classed as 'meeting the expected standard' this year might not be the same as last year.

SATs are only four days out of a whole Primary School career. In reality, there's one or two papers each day that last 30 to 60 minutes
