Dear All,

As many of you are aware by the deadline for secondary school applications is 31st October. The online system for secondary school admission is already open. Here is the webpage on the Wiltshire website -

<https://admissions.wiltshire.gov.uk/prefs.php>

In previous years, secondary schools offer taster days and open days. However, due to Covid-19 the secondary schools have had to change their plans.

My advice is to:

- Keep an eye on the secondary school websites and social media pages as dates for any open evenings (or virtual ones) will appear here first
- Contact the secondary schools directly as they may be able to offer visits for you.
- The secondary school websites have lots of information. Many of the websites created 'transition' areas for the pupils last year moving from Year 6 to Year 7. The 'transition' areas have lots of information and some have virtual tours etc! This maybe a good place to look too.

Finally, if I find out any further information from the secondary schools, I will let you know.

Best Wishes

Miss Crook
