

The Reading Rocks Challenge

The challenge is to read books from our Reading Rocks list. There is a different list for each year group. Choose a category, read or share a book that fits the category, record the title of the book, the author and the date you finished reading it. Certificates awarded for reading:

5 books - Asteroid Award

8 books - Comet Award

12 books - Meteor Award

18 books - Satellite Award

When you have reached an award level bring your challenge record in to show your teacher and talk to them about the books you have read. Certificates will be given out in an assembly after your teacher has seen your record.

We have provided some suggestions of books that you may consider reading at the bottom of the challenge record. These are for guidance only!
