

We hope you have all found your feet this term with the balance of home schooling and life in lockdown. It's tough not being together and doing all the usual fun activities we would do as a community to raise vital funds for the school, but we are Team Stratford and the support you gave to the school last term, demonstrates what fabulous children, parents, grandparents and friends we have.

FOSS COMMITTEE VACANCIES

LEADER OF THE PACK (Chairperson)

We want you to be our next FOSS Chairperson! Our current fearless leader is resigning from the role and we need to fill her shoes! We are looking for someone who is creative, comfortable delegating jobs and keeping us focused on raising funds for the school. A great sense of humour is a big plus. You can do this alone or share the responsibility with someone else. If you are ready, willing and enthusiastic to take up this role (or maybe just a little curious about it), please contact our current chair Sam Vigor via email on stratfordfosschair@gmail.com for more details.

PARTNER IN CRIME (Vice- Chairperson)

So, you'd like to get more involved in the FOSS, but you're not sure if you are ready to the lead? Then being the Vice-Chair could have your name written all over it. You'll help the chair get things done – just like a Superhero's sidekick! If you are ready, willing and enthusiastic to take up this role (or maybe just a little curious about it), please contact our current chair Sam Vigor via email on stratfordfosschair@gmail.com for more details.

The next FOSS meeting will be via Zoom and date and time will be confirmed shortly via email and on our facebook page.

If you do have any fundraising ideas, please share them with the FOSS either via our Facebook Group – Friends of Stratford Sub-Castle Primary School (FOSS) page or email one of team directly Sam Vigor (stratfordfosschair@gmail.com), Sarah Heath (stratfordfosstreasurer@gmail.com) or Sharlene Lucas (stratfordfossecretary1@gmail.com)
