Now sing along with Dr Ranj and Kiwi as they stay safe in the sun. <https://www.bbc.co.uk/cbeebies/watch/get-well-soon-fun-in-the-sun>

Use the sheet attached to make a poster to tell other people about staying safe in the sun!

Add drawings and writing to show the things they need to remember.

Grow and Eat!

Make a cress head! Use an egg shell or small container and create a funny face on ti using pens or collage. Fill with damp tissue paper and sprinkle cress seeds on top. Watch each day as the cress changes and grows, what do you see? Look after it by keeping the tissue damp.

Once it has grown, make a yummy egg and cress sandwich to have for a picnic in the garden!

Summer Senses Poem

Summer

Looks like the sun sitting in the sky

Feels like someone breathing hot air on me

Sounds like the sun crackling on the earth

Smells like salty sea water

Tastes as good as macaroni cheese

Read this poem to see how the writer has created ideas about summer. Spend some time outside what can you hear, what does it remind you of? What do the smells make you think of? What do you taste in the summer, ice creams and juicy strawberries? Use your ideas to make a summer poem! Use the sheet attached to help you write it.

Colours in Nature

How many colours can you find in nature during the summer? Draw a rainbow of colour on a piece of card and collect things that match, in nature, to glue on.

Natural Weaving Craft

Ask an adult to help you create a frame from sticks or use a piece of strong card, and wind wool or string around it. Now find natural things to weave into your weaving frame. These look beautiful hung in trees in the garden!

Role Play Ice Cream Shop

Make your own role play ice cream shop and use real money to pay! Can you make your own price signs and even a banner for the name of your shop? Make cones and add balls of socks or cotton wool for the ice cream!

For examples and pages to use, see the pages below!

Make a petal sun catcher.

You will need a paper plate and some clear sticky back plastic. Find and pick different coloured petals and leaves to trap inside the two pieces of plastic! Use some string to hang it up.

Flower Petal Suncatcher

Seasons Wheel

Make your own Season Wheel by following the instructions:

1. For each season, draw a picture of the weather.
2. If you can, think of an event that happens in each season. It could be a celebration, a holiday or an important occasion, like a birthday. Add it to your wheel.
3. Add small arrows to your wheel to show which way the seasons go.
4. Carefully cut out your wheel.
